

The “Open Bathroom Bill” is back!

- ☛ In 2017, the Jacksonville City Council passed a law that gives men legal protection to go into women’s and girl’s restrooms, locker rooms, and even shower rooms!
- ☛ A Florida court UNANIMOUSLY RULED AGAINST THE LAW. The law was not clear, understandable, or enforceable!
- ☛ DID YOU KNOW that now, IN THE MIDST OF A GLOBAL PANDEMIC, City Council Members are trying to re-pass the bill again!

SAFETY, LIBERTY & Representative DEMOCRACY TRUTH not fear... BILL 244 harms:

SAFETY—BILL 244 gives men legal protection to go into women’s and girl’s restrooms, locker rooms, and even shower rooms. **SEXUAL PREDATORS** will therefore have easier access to these intimately private spaces.

LIBERTY-- BILL 244 would threaten many small businesses in Jacksonville with fines or lawsuits for simply living out their religious beliefs in their own workplace.

Representative **DEMOCRACY**-- BILL 244 is being hastily pushed through as our nation faces a global pandemic. Input from the public was already blocked at the first Council meeting.

TELL CITY COUNCIL TO STOP BILL 244!

They are trying to pass this bill secretly and quickly
Call or email City Council Members below once every day!
Tell them to oppose it or at least let the people decide this important and controversial issue by referendum!
